

SOCIAL COMMUNICATION GROUPS

Join us for summer camps!

These one week camps are based on the Social Thinking methodology as developed by Michelle Garcia-Winner (www.SocialThinking.com) and use collaborative decision-making, problem solving and play to teach core concepts of social communication.

Camps run Monday-Friday from 9am-12pm
for ages 5-11 years (rising K-5th grade)
located on the Greensboro Day School campus

For more information or to learn about ongoing therapy group options, please contact kim.lewis@activitytailor.com

Kim Lewis, M.Ed., CCC-SLP is a pediatric speech-language pathologist with over 15 years of clinical experience.

A limited number of partial scholarships are available for summer camps. The above programs are not endorsed by GCS nor do they represent the district's position or policy.
